

Retrofit Coordinator Service

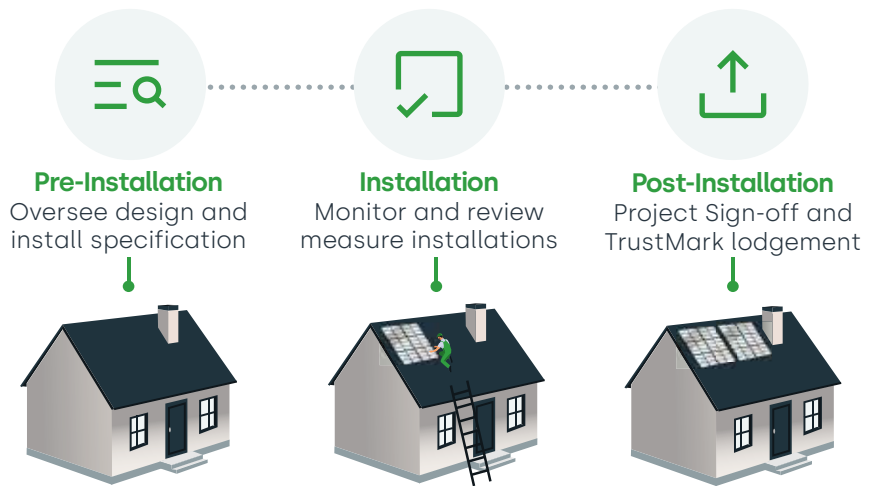

Access to ecmk accredited
Retrofit Coordinators to
oversee Retrofit projects

CoreLogic is a TrustMark registered provider of PAS 2035 Retrofit Coordination. We work in partnership with ecmk Accreditation to provide companies without the in-house resource, access to ecmk accredited Retrofit Coordinators. Our services will oversee Retrofit projects and all work is managed using our PAS Hub software.

You benefit from:

- Experienced and fully qualified ecmk Retrofit Coordinators will review and approve all Retrofit measures and risk paths
- Full range of PAS2035 compliant Design Services available, incl. technical calculations and improvement scenarios modelling
- Real-time visibility using PAS Hub, ensuring you have complete oversight and control of project progress
- Project sign-off and lodgement to the TrustMark data warehouse, by ecmk Retrofit Coordinators, upon your authorisation
- Transparent pay as you go pricing, with no upfront fees, meaning you only pay for the work completed
- No minimum volume or exclusivity, so you can use the service as back-up to your own coordinator supply when needed
